Topic: FY 2019 Monthly Financial Statement Update

From: Bobby Fitts, Finance Director
Prepared by: Bobby Fitts, Finance Director
Approved by: Joseph M. Moore II, PE, Town Manager

Executive Summary:

The attached financials are for Board of Commissioners review only. See discussion below for details on statements.

Background:

The attached financials are a summary of revenues and expenditures to date. These are provided to keep the Board informed, on a monthly basis, of how revenues and expenditures are trending throughout the year.

Information:

These financial statements are through April 22, 2019. We've now received seven of the twelve months of sales tax monthly distributions in FY 2019. As usual, the majority of property taxes have now been received (in December – January). There are three months of vehicle taxes remaining to collect. See notes below for analysis on those and other revenues.

For FY 2019, approximately 9 ½ months in to the new year, the Town has spent about 57% (approximately \$10,021,253) of its General Fund budget of \$14,432,579. With regard to some of the departmental expenditures, it is important to note many larger expenditures, including payment for the ladder and pumper trucks totaling approximately \$1.6 million and others in Police (vehicles and radios totaling \$147,000) and Sanitation (the knuckleboom purchase). Also, debt service payments totaling approximately \$904,700 have now been paid. This is why these departments have disproportionate amounts of percent of budget spent at this point in the year. Some discussion on some revenue activity such as zoning fees and property taxes are below. The revenue and expenditure statements are included for your review.

A few highlights to date include:

Sales Tax

- Sales taxes collected in January 2019 were received and were 6.6% (\$4,791) more than the distribution received for the same period in FY 2018.
- For the year-to-date total of FY 2019 they are 5.00% (\$30,077) ahead of FY 2018.
- Article 39 receipts, proceeds returned to the county of origin, were 7.2% (\$2,305) more than the distribution received for the same period in FY 2018.
- Article 39 receipts year-to-date for FY 2019 are 4.55% (\$12,482) more than FY 2018. (Ref. attached Sales Tax Collections spreadsheet).
