REQUEST FOR EXEMPT SUBDIVISION

GENERAL INFORMATION:

In accordance with Section 2.2.8 of the UDO, the intent of an exempt subdivision procedure is to establish a clear and predictable procedure for a landowner to determine and document that a proposed division of land is exempted from the subdivision requirements of this Ordinance in accordance with Section 160A-376 of the North Carolina General Statutes. These shall only be accepted if the proposed request meets the following definition:

1. The combination or recombination of portions of previously subdivided and recorded lots where the total number of lots is not increased and the resultant lots are equal to or exceed the standards of the municipality as shown in its subdivision regulations.
2. The division of land into parcels greater than 10 acres where no street right-of-way dedication is involved.
3. The public acquisition by purchase of strips of land for the widening or opening of streets or for public transportation system corridors.
4. The division of a tract in single ownership whose entire area is no greater than two acres into not more than three lots, where no street right-of-way dedication is involved and where the resultant lots are equal to or exceed the standards of the municipality, as shown in its subdivision regulations.
5. The division of a tract into parcels in accordance with the terms of a probated will or in accordance with intestate succession under Chapter 29 of the North Carolina General Statutes

INSTRUCTIONS:

FILE APPLICATION: Submit hard copy application to the Planning Department with the applicable Requirements in accordance with Section 2.2.8 of the UDO.

COMPLETENESS DETERMINATION: The Planning Director will review the application materials to determine if all the required information necessary to render a decision has been including. The applicant will be notified by e-mail of any missing information or details.

REVIEW BY PLANNING DIRECTOR AND DECISION: The Planning shall review the nature of the request to determine if it is within the parameters and restrictions as outlined in Section 2.2.8(E) of the UDO.

NOTICE OF DECISION: The formal notice of decision shall be provided to the applicant in accordance with Section 2.3.9 of the UDO.

RECORDATION: If an exempt subdivision plat or other document is prepared by the applicant, it shall be certified by the Planning Director. An exempt subdivision plat may be recorded in the office of the Wake County Register of Deeds, by a landowner at the landowner's discretion.

Application Requirements

The applicant requesting an Exempt Subdivision must submit a written application to the Zebulon Planning Department using the forms included in this packet.

APPLICATION FOR EXEMPT SUBDIVISION

For Recombination Plats Showing Sites With Existing Septic Structures That Intend To Use Septic, The Following Certification Must Be Included On The Subdivision Plat:

I hereby certify that lots(s) _____ shown on this plat for _____ has been reviewed with respect to minimum available space to provide for repair of an existing wastewater disposal system in accordance with regulations governing sewage treatment and disposal systems in Wake County as amended from time to time. I further certify that to the best of my knowledge, the existing wastewater system is located within the boundaries of the subject lots(s) and meets minimum setback requirements as specified in the aforementioned regulations. This certification does not represent approval or a permit for any site work or wastewater system modifications/repairs. Additionally, any change in use, site alteration or misrepresentation may result in suspension or revocation of certification.

For Recombination Plats Showing Sites With Existing Septic Structures That Intend To Use Septic, The Following Certification Must Be Included On The Subdivision Plat:

I hereby certify that lots(s) _____ shown on this plat for _____ have been reviewed as appropriate and with respect to minimum lot requirements set forth in Section V of the Regulations governing sewage treatment and disposals systems in Wake County as amended from time to time. As of this date, and based on this review of existing site conditions the lots numbered above on this plat will presumably meet these regulations.

I hereby certify that lots(s) _____ shown on this plat for _____ have been reviewed as appropriate and with respect to alternative requirements set forth in Section VI of the regulations governing sewage treatment and disposal systems in Wake County as amended from time to time. As of this date, and based on this review of existing site conditions the lots numbered above on this plat will presumably meet these regulations.

Preliminary certification does not represent approval or a permit for any site work, nor does it guarantee issuance of an improvement permit for any lot. Final site approval for issuance of improvement permits is based on regulations in force at the time of permitting and is dependent on satisfactory completing of individual site evaluations following application for an improvement permit detailing a specific use and siting.

Any change in use or any site alteration may result in suspension or revocation of certification.
