For Recombination Plats Showing Sites With Existing Septic Structures That Intend To Use Septic, The Following Certification Must Be Included On The Subdivision Plat:

I hereby certify that lots(s) _____ shown on this plat for _____ have been reviewed as appropriate and with respect to minimum lot requirements set forth in Section V of the Regulations governing sewage treatment and disposals systems in Wake County as amended from time to time. As of this date and based on this review of existing site conditions the lots numbered above on this plat will presumably meet these regulations.

I hereby certify that lots(s) _____ shown on this plat for _____ have been reviewed as appropriate and with respect to alternative requirements set forth in Section VI of the regulations governing sewage treatment and disposal systems in Wake County as amended from time to time. As of this date and based on this review of existing site conditions the lots numbered above on this plat will presumably meet these regulations.

Preliminary certification does not represent approval or a permit for any site work, nor does it guarantee issuance of an improvement permit for any lot. Final site approval for issuance of improvement permits is based on regulations in force at the time of permitting and is dependent on satisfactory completing of individual site evaluations following application for an improvement permit detailing a specific use and siting.

Any change in use or any site alteration may result in suspension or revocation of certification.
